

Multiple activities

This service is intended to groups who want spend one or several days developing outdoor activities: schools, companies, hiking centres, campsites or group of friends.

Some of the aims for these activities are enjoy, learning and encourage cohesion or interact with the environment.

The Multi-activities are custom-made with the proper contents for every group: hiking, climbing, crests, rappel, environment games, orienteering, zip-line and survival techniques. Some suggestions could be:

Parties:	Orienteering + ridges + rappel
Scholars:	Hiking + environment games + zip-lines
Companies:	Find clues + climbing + cohesion games

Prices: (groups from 8 to 20 pax)
From 7€ to 30€ per day and participant

The price depends on the activity and the number of participants. It includes professional civil liability insurance and compulsory accident insurance for the participants. Also includes a graduate specialist and additional equipment for activities. Travel and accommodation expenses and daily subsistence allowance for the guide are not included.
